

EARTHQUAKE ENGINEERING RESEARCH INSTITUTE

SUBSCRIBING MEMBERSHIP

BE A LEADER IN THE EARTHQUAKE RISK REDUCTION COMMUNITY

EERI is the leading non-profit membership organization with a global network of multi-disciplinary professionals, leaders, and experts. Since 1948, the Earthquake Engineering Research Institute has connected those dedicated to reducing earthquake risk to do more together, including companies that want to further make a difference. **EERI Subscribing Membership provides a unique opportunity for your company to publicly demonstrate your support for earthquake risk reduction.**

BENEFITS

EERI Subscribing Membership provides your company with valuable opportunities for recognition, networking, and access to the earthquake risk reduction community.

Gain high visibility with EERI members through exclusive profiles on our website and membership portal, announcements in our bi-weekly e-newsletters, listing in our prestigious technical journal *Earthquake Spectra*, acknowledgment in an EERI Webinar.

Build your staff engagement and learning through complimentary memberships and registrations to our national conferences, seminars, webinars, and other professional development opportunities.

Expand your company's presence and reach via our social media platforms, with more than 9,550 followers on Facebook, 18,650 on LinkedIn, and 3,625 on Twitter. We feature profiles of our subscribing members and share their news updates on these platforms.
